OIL

We have stock for sale in Vancouver
Oil Co., 5 cents per share. Par value 25
cents.

The directors of this company do not guarantee that they will strike oil, in spite of first class reports from experts and excellent showings. But they do guarantee honest and accurate management, and that every cent received from the sale of stock will be put into development work. It is needless to reiterate the fact that once oil is struck the stock will be worth more dollars than it is now worth cents. We feel confident that oil will be struck, and THE INTEGRITY OF THE MANAGEMENT IS BEYOND QUESTION.

Articles.

From Our Own Correspondent.

Vancouver, July 20.—Word comes from Steveston that the run of fish is increasing, but the weather being cold they are still scattered. All is bustle in the fishing town, as everyone who claims to be a fisherman is making ready to go out on the river Sunday night.

The Grand Lodge of Fishermen met this morning and ratified the agreement and this afternoon it was signed by the secretaries of the cannery and fisherman's executives. It is that 12½ cents be paid for one-fourth of the pack put up and 10 cents for the other three-fourths, without regard to the size of the pack; that union fishermen be not discriminated against, and that the cannery have the right to limit the number of fish to the boat to 40.

The size of the pack is to be determined by one appointee of the fishermen, one appointee of the cannery and one appointee of the two men appointed.

Ottawa, July 20.—(Special.)—Judge Burbridge has confirmed the referee's award of \$90,103 against the British North American Bank Note company in favor of the government for breach of contract.

For information the Militia department has published the Pension act passed last session, and which took effect on the 1st of July.

WORLD'S FAIR
IN IRELANDProposal to Hold an Interna-
tional Exhibition in Cork
Next Year.

Cork, Ireland, July 20.—The following particulars relative to the great international exhibition which it is proposed to hold in Cork next year, are at hand. The exhibition is being organized with the co-operation of a government department known as the department of agriculture and technical instruction, which has already given a donation of \$2,000 towards the erection of the buildings, and in addition, the department proposes to give the benefit of its organization to collect exhibits from the great industrial centres of the world, to be shown in Cork, and in other ways to ensure the success of the great undertaking. The idea has caught on with great enthusiasm.

The patronage of the lord lieutenant of Ireland, Earl Cadogan, has been obtained, and leading noblemen of the United Kingdom figure as officers of the general committee. The donations towards the funds have been pouring in very generously since the matter was first mooted some three months ago, and the latest development of the scheme is the selection of a site known as the Marley, which extends for more than thirty acres in a spot very beautiful by nature and within the city limits. The river Lee will intersect the grounds and the service of electric trams will bring visitors right up to the scene from the various termini in the city. From the point of view of the exhibitors, the place is suitable, and for side shows, such as water chute, switchback railroad, shooting ranges and other miniature forms of recreation, it is excellent. It is a lovely wooded and river level at this point is very clear and placid. It is intended to attract as many visitors as possible and trans-Atlantic carrying companies are being approached with a view to getting special fares for intending visitors to the exhibition. The companies have also been interviewed with regard to facilities for intending exhibitors.

What the Men and General Manager
Say About the Situation.

Winnipeg, July 20.—It was stated today, that the settlement of the trackmen's strike appears to be further away than ever. For several days past the committee of trackmen, headed by Mr. Shaw, of the Portage, has been in consultation with prominent C. P. R. officials, discussing terms of settlement. These, it is alleged, were reached. Mr. Leonard, general superintendent, issued the reported offer made to the men by the company on June 1, which practically gave details of the terms the committee had accepted. Although the question of wages, hours and other details was practically settled, it is stated by the men that the company absolutely refused to recognize the union, or deal with them in any way as a body, and so the whole trouble will continue, and negotiations for the present have ceased. The committee in consultation with the C. P. R. having found it impossible to secure recognition, they held to the main feature of the settlement, but dispersed pending instructions from the head committee on the matter.

Mr. McNeill makes the statement that he has never refused to recognize the committee, but that he has always been ready, and is now, to meet the men and discuss with them any questions arising out of the strike.

Hesitated to
Trust BismarckInteresting Pages of History of
Relations Between France
and Germany.Light on an Affair That Pro-
duced a European War
Scare.

Paris, July 20.—The Figaro continues its interesting revelations concerning the private opinions of the late President Faure. The Figaro now turns to the "Schaebele affair," in which it is shown how Prince Munster de Dornburg avoided what threatened to be another war between France and Germany. It will be remembered that Schaebele was arrested 15 years ago by a German detective named Gausch, on the Franco-German frontier. The difficulties which followed this arrest produced a war scare in Europe.

According to M. Faure, France's assertion that Schaebele had been arrested on French territory was bitterly contested by Prince Bismarck. At this point a letter from Gausch to Schaebele summoning the latter to a conference, was found. This letter was immediately sent to M. Herbet, French ambassador in Berlin, but the latter had found Prince Bismarck so unfavorably disposed that he declined to entrust such an important document to his tender mercies.

At this juncture, Prince Munster de Dornburg, who was visiting Berlin, called upon M. Herbet, saying that he had desired the maintenance of peace and offering to aid the French minister. When he was shown the Gausch letter the German diplomat said: "Give it to me, confide to me; I will bring it back at 3 o'clock." M. Herbet hesitated to turn over the letter, but finally consented and entrusted France's trump card to the German ambassador at Paris. Prince Munster went to Prince Bismarck and showed him the Gausch letter. Bismarck angrily asked the diplomat what business he had to attempt to turn over the letter, but finally consented and entrusted France's trump card to the German ambassador at Paris. Prince Munster went to Prince Bismarck and showed him the Gausch letter. Bismarck angrily asked the diplomat what business he had to attempt to turn over the letter, but finally consented and entrusted France's trump card to the German ambassador at Paris.

A few hours later Bismarck set Schaebele at liberty, and the war cloud rolled away.

GERMAN TARIFF.

Duties on Agricultural Products Are Not
Relished.

Berlin, July 20.—All the leading members of the ministry are now absent on their vacations, Baron Von Rittschow, secretary of the imperial foreign office, having left this week, and a summer stillness prevails in Berlin political circles. In the discussion of tariff questions brought out this week upon the publication of the new agricultural schedules by the Stuttgart Beobachter, which claims to have obtained the information in this matter from the recent tariff conference, the two most striking features of these schedules are the high duties and the minimum and maximum charges on cereals. The minimum figures are the lowest admissible in commercial treaties, while the maximum charges are 65 marks per ton on wheat, and 60 marks per ton on rye and oats. The minimum charge on wheat is 55 marks per ton, and on rye and oats, 50 marks. The present duties on rye and oats are 35 marks per ton, and on oats 28 marks. Animals and meat are without minimums. The duty on cattle has been raised from 9 marks and on swine from 50 marks per ton to 100 marks per ton. Meat, lard and calves are scheduled for a considerable increase.

The Berliner Tagblatt is the recipient of information to the effect that the promised schedules as printed by the Stuttgart Beobachter are correctly given. The Tagblatt considers them to be monstrous and prints statistics showing that the new duties, on the basis of the imports for 1900 mean an increased expenditure of 60,000,000 marks to the consumer, not to mention the rise in prices on domestic products, and argues that the United States and Russia, two of Germany's best customers, would adopt reprisals were the duties put into effect. The Hamburger correspondent says the government will publish the tariff bill in a few days.

CHINESE INDEMNITY.

Partial Agreement Said to be Reached
at Peking.

Cologne, July 20.—The Cologne Gazette's Peking correspondent telegraphs that at yesterday's ministerial conference an agreement was reached regarding the improvement of the port of Shanghai and the Pei Ho, the mortgaging of the maritime customs to the amount of four per cent, and also the salt and junk taxes, which are regarded as adequate to raise the indemnity. Great Britain strongly opposing the plan to increase the customs to 7½ per cent, in case other revenues are inadequate. A compromise is probable on this point. It is felt that the meeting marks an important advance in the negotiations.

Steel Company Express Loy-
alty to Managers.At McKeesport Amalgamated
Men Are Addressed By
Labor Officials.

Pittsburg, July 20.—The first week of the steel strike ended today in this district with two big meetings, one endorsing non-unionism, the other condemning it. The first was held at Vandergrift, this afternoon where the sentiment of the workers of the Vandergrift, Leeburg, Apollo and Saltsburg plants of the American Sheet Steel company was expressed in speeches and resolutions. More than 1,500 men attended the gathering. Speeches were made by prominent mill workers endorsing non-unionism and declaring loyalty to the company. When the speech-making had concluded, the following resolutions were adopted:

"Whereas, there is at the present time existing between the Amalgamated Association of Iron and Steel and Tin Workers and the American Sheet Steel company, which has arisen by reason of said association demanding that no non-union mills be organized into the union; which demand we do not endorse.

"Therefore, be it resolved, the iron workers of Vandergrift, Apollo, Saltsburg, assembled this 20th day of July, 1901 at Vandergrift, that we hereby express our loyalty to the managers of the American Sheet Steel company.

"During the year's work with said company we have received the fairest treatment at their hands, our wages have been entirely satisfactory, and we ask that we be permitted to work non-union as we have been doing since 1894. We feel that no labor union can make our situation better than it is at present. We also hereby endorse the action of the business men of Vandergrift, Leeburg, Saltsburg and Apollo in their recent endorsement of the policy of the American Sheet Steel Co., and assure them that our interests are mutual, and that they say have large confidence in the management of the company was thanked for its liberality and the entire audience united in singing "America."

The meeting at McKeesport was diametrically opposite to the Vandergrift gathering, and the two workers met in the announcement that the U. S. Steel corporation is equipping an idle rolling mill in this city to be started next Monday to manufacture cotton ties to fill pressing orders, and that the plant will be managed with non-union labor.

Vice-President Ward of the Amalgamated association declared today that the mill would not be started. Mr. Ward and Lawrence Kelly, members of the Amalgamated executive board, came here yesterday upon instructions from President Shaffer for the purpose, it is said of preventing the plant from being operated, if possible. Messrs. Ward and Kelly were busy today organizing the employees of the American Wire and Steel Co., and also attending a meeting of the American Tin Plate Co. workers.

Cleveland, Ohio, July 20.—Great interest is manifested in lower prices of steel in the announcement that the U. S. Steel corporation is equipping an idle rolling mill in this city to be started next Monday to manufacture cotton ties to fill pressing orders, and that the plant will be managed with non-union labor.

Vice-President Ward of the Amalgamated association declared today that the mill would not be started. CANADA LEADS
CHEESE EXHIBITFar Ahead of Anything U. S.
Can Show At Pan-
American.

Brantford, July 20.—(Special.)—A meeting of the committee appointed to provide a suitable exhibit of Ontario butter and cheese at the Pan-American competition, was held here at the office of Secretary Geo. Hatley. Mr. Hatley submitted a report which he had received from the superintendent of the dairy department of the Pan-American on the judging of cheese. The showing is a remarkable one.

Not only does Ontario sweep the board with its export cheese, being the only class in which it exhibited, but its exhibits are all of such high excellence of quality that each and every one of fifty-seven exhibits have received a premium. The committee decided to make an exhibit of August cheese at the September competition.

London, July 20.—The British cruiser Minerva, which started at 4:50 o'clock on the afternoon of July 17, from Gibraltar, in a race with the cruiser Hatter to Portsmouth, was sighted off the latter place at 9:30 o'clock this evening. The performance of the cruisers is rather disappointing, as both have been expected to arrive ever since daylight this morning.

Military "At Home."—Lt. Col. Grant, Major Wynne and others of the Royal Artillery and Royal Engineers, will give an "at home" next Wednesday afternoon at the barracks, Work Point.

Hospital Supplies.—Tenders for supplying the Provincial Royal Jubilee hospital with meat, poultry, vegetables, groceries, milk and drugs will be received by the secretary up to Thursday next.

Laid at Rest.—The funeral took place yesterday of Michele Delco. The pallbearers were: Nicola Beutene, Michele Gigliotti, Antonio Paltucci, Antonio Reda and G. Zrrelli.

Tailors' Picnic.—Next Wednesday the tailors of the city, with their families and friends, will enjoy an outing at the Gorge, under the auspices of the Tailors' union. The party will assemble at 9 o'clock a. m., at McIntosh's boat house.

Delightful Afternoon.—Hon. J. H. and Mrs. Turner entertained a large number of friends at a garden party at their pretty home on Pleasant street, yesterday afternoon. A very large number attended and a pleasant afternoon was spent. There was an orchestra in attendance, which played during the progress of the party.

Officers Installed.—At the meeting held by the Daughters of St. George on Monday, the following officers were installed for the ensuing term: W. P., Sister Rivers; W. V. P., Sister Penkett; W. T., Sister Greenough; W. C., Sister Seed; W. F. S., Sister Nunn; W. I. S., Sister E. Nunn; W. C. S., Sister Rowell; W. C. S., Sister Davis; W. I. S., Sister Hams; W. O. G., Sister Harding.

How Divided.—Mr. H. D. Helmeke, K. C., M. P., has decided to divide the \$500 donated by Mr. S. M. Robins, of Nanaimo, to the Victoria exhibition as follows: Twenty-five dollars for best exhibit of cattle, the bona fide property of the exhibitor, who must be a resident of the province; \$15, first prize, best pair carriage horses; \$10, second prize, best pair carriage horses.

Design Accepted.—The committee of the Victoria Agricultural and Mining association yesterday accepted the design of Miss Fox of 227 Pandora avenue for the medals to be presented at the coming exhibition. Most of the industries of the province have been represented in the design. The committee will meet with Miss Fox tomorrow to settle the details in connection with the medals.

Railway for Cassiar.—J. H. Gray, C. E., engineer-in-chief of the Pacific Northern and Ontario railway company, has arrived in the city for the purpose of organizing and equipping a party for the preliminary survey of the first section of the line from Kitimat, at the head of Douglas channel, to Hazelton, an approximate distance of 100 miles. Mr. Gray's party will consist of 16 or 18 men and will proceed north as soon as possible, probably on Thursday next.

Garden Party.—As already announced, the Ladies' Aid Society of St. Andrew's Presbyterian church intend giving a garden party at the pastor's residence, Birdcage Walk, next Wednesday, in the afternoon and evening, commencing at 3 o'clock. Tea, ice-cream, fruit and other refreshments will be served. An excellent musical programme has been arranged. The St. Cecilia orchestra has kindly consented to give selections during the evening. Other special attractions will be added, and no effort spared to assure a most enjoyable social time for those who may attend. The admission is 25 cents, and for children, 10 cents.

Lots of Revenue.—Yesterday's session of the city police court was a revenue-producing one. Four Chinamen who pleaded not guilty to the charge of offending against the ordinance of the wash house law, which prohibits spouting water from the mouth onto clothes, were fined \$5 and \$2.50 costs. Three bicyclists who had not taken the precaution to light their lights when riding at night contributed \$3. Walter Kidd was fined \$5 for the charge of assaulting a Chinaman, and a warrant was issued for his arrest. The hearing of the charge against D. McNaughton of vagrancy was remanded until Monday, to give him an opportunity of leaving the city.

For Charity.—The story of "Fennel," which is to be presented at Institute hall Tuesday evening, is as follows: The scene is laid in Venice in the house of a violin maker, Caddo Ferraro, whose beautiful daughter, Giannina, has fallen in love with a young man, Filippo, who is a victim of many beauty, and Filippo, whose crippled body impedes a wonderful musical genius. The father promises his daughter to the maker of the most perfect violin. The crippled man, who is a secret of the varnish of the old masters, knowing his violin to be perfect in every way, but finding his love not returned by Giannina, nobly changes the violins, but unfortunately Sandro, recognizing his girl's genius and fearing his power, changes the violins back again, without knowing it. The crippled, however, like Cyrano de Bergerac, nobly gives up Giannina, his only consolation his glorious instrument. The closing scene is portrayed in a poster at Hillen's.

F. Y. M. A.—The Fernwood Young Men's Association held a very interesting ice-cream social in their new hall, Spring Ridge, Friday evening. President R. B. King presented the programme in a neat speech, setting forth the aims and objects of the association. The evening's entertainment consisted of athletic exhibitions by a class of young men ably led by Messrs. Peden and Jones; instrumental music well rendered by Messrs. Huxtable and Howell; a recitation by Mr. Jones; and a laughable farce by Messrs. Fairfield, M. Millan and Moore. The gymnasium work consisted of parallel bar exercises, hand drill, balancing feats, jumping, wrestling and muscle exercises, all of which reflected much credit on the young men, for their short time of training and showed the object of the association to be men's sana in corpore sano. It is the intention of the F. Y. M. A. to give a similar entertainment next month. Their object is laudable and their efforts to secure clear athletic amusement worthy of all encouragement.

ENJOYABLE OUTING.

Annual Picnic of St. Barnabas' Sunday School Yesterday.

The St. Barnabas' annual picnic took place yesterday afternoon at the agricultural hall, Saanichton, and was a most enjoyable outing. The Victoria & Saanichton excursion club did their best to provide for the comfort of the children and adults. Some three hundred were present, and no hitch of any kind occurred to mar the pleasure of all. After lunch the following programme of sports engaged attention:

Boys under 16—First prize, Arthur Knox; second, Charles Knox; third, Ernest Turner.

Girls under 17—First prize, Kathleen Andrew; second, Nellie Joubert; third, Daisy McDowall.

Boys under 14—First prize, Arthur Knox; second, Charles Knox; third, Victor McDowall.

Girls under 15—First, Kathleen Andrew; second, Nellie Joubert; third, Daisy Barton.

Boys under 12—First, Charles Knox; second, Charles Knox; third, Ernest Turner.

Girls under 12—First, Norah Rich; second, Emmeline Andrew.

Boys under 10—First, James Watson; second, Willie Watson; third, Adolph Lohbrunner.

Girls under 10—First, Muriel Milligan; second, Emmeline Andrew; third, Kathleen Wallace.

Ladies' race—First, Miss Bailey and Mrs. I. Shaw; 2nd, Mrs. Travis.

CROFTON HOUSE

A Boarding and Day School for Girls

VANCOUVER, B. C.

This school, established as a Day School in 1898, will re-open in its new premises on September 2nd. It is beautifully situated with playground and tennis court attached to the corner of Jervis and Nelson streets.

For prospectus apply to MISS GORDON, (late of Newnham College, Cambridge.)

The judges were Messrs. Wootton and Newell; starters, Messrs. Newell and Binn; clerk of the course, Mr. C. P. Moore.

Croquet, cocoa-nut throwing, cricket and the unique game known as "bean bags," all contributed to the day's enjoyment. The Rev. I. Grindly kindly gave away the prizes. The Rev. P. G. Christmas and many of his parishioners were present in the afternoon, and added much to the sociability of the gathering.

Arriving at Victoria station shortly before 8, all joined in singing the National Anthem, followed by three cheers for the rector.

SAVOY PROGRAMME.

Big Bill to be Presented at the Popular Theatre This Week.

The management of the Savoy have practically secured control of the vaudeville market of the Northwest, owing to the other houses of the Pacific Slope having closed for the heated term. This will enable these enterprising amusement managers to supplement their attractions not only with the very highest grade of talent at present on the Coast, but also the latest novelties of the East. This week the management will offer a specialty programme that is seldom equalled in any city. Miss Bessie Louise King, a comic opera star of renown, will make her debut in vaudeville for a limited engagement. The last time this charming lady appeared here was at the head of her own company. Miss Dorita Cordero, a young lady of beautiful beauty and rare talent, will also appear in this house for the first time. Prof. del Adella, the magician, will introduce new feats of legerdemain, and it can be truthfully said that his performance alone is well worth double the admission fee.

This will be the closing week of Milton and Lord, who will appear in an entirely new specialty. Rooney and Forrester, these clever and capable artists, will unload another batch of absurdly unique and thoroughly amusing laugh-making material. Mary Jones, Camerata and Gussie Le More will be heard in a new repertoire of songs. This combination of talent virtually makes it "bargain" week at Victoria's leading place of amusement.

Geo. R. Jackson is going out of the tailoring business. He is disposing of his entire stock of woolsens at less than half price. A chance of a life time to secure elegant up to date goods cheap. Sale begins Monday, the 22nd.

"Mason & Risch" Piano

IN WINDSOR CASTLE

The following from the well-known London, (Eng.) Illustrated Sketch, describing the Emperor of Germany's visit to Windsor, will be read by Canadians with more than ordinary interest.

"The beautiful suite of rooms prepared for the Emperor during his stay at Windsor is known as the Tapestry suite, and exclusively preserved for the use of Royal Sovereigns. In the Sitting Room stands the Prize Piano, made by MASON & RISCH, TORONTO, Canada, shown at the last Colonial and India Exhibition."

The above remarks from the Sketch recall to mind the great honor which has been done to a Canadian firm, and Messrs. Mason & Risch must feel proud that one of their pianos adorn apartments in Windsor Castle which are especially set apart for the use of Royal Sovereigns.

Victoria and New Westminster Play a Drawn Game at Lacrosse.

Both Teams Scored Four Goals In the Hard Fought Match.

Although Victoria's lacrosse players were expected to make a hard fight against the champions at the Caledonia grounds yesterday afternoon, few of the great throng which witnessed the game expected that the boys in blue and white would show themselves to be the equals of the players from Westminster on the lacrosse field in such a battle royal as was then seen. The great match—one of the best ever witnessed here—ended in a draw game with your goals to the credit of each team, and after battling for the supremacy for twenty extra minutes after time had been called, the result remained the same. Neither team could land the ball in the other's net again, and after the hardest, fastest and best contested game of many seasons, the match ended where it had begun, thus showing Victoria to be the equals of the New Westminster. The glory was all to Victoria, for although they were defeated, they were not beaten. Each team, Victoria was acknowledged by all unprejudiced lacrosseists present, to have played the better game, and the visitors admitted at the close of the match that they had been obliged to fight the fight of their lives to save themselves from defeat. The Victoria twelve were in great trim, and played a great game, and had their shooting and passing been a little better, not to say that it was not very good, they would have won a victory, for they kept the Westminster defense busy to protect their flags. Again and again Cheney, Gray, Galbraith and Lynch had to bunch up in front of their net and fight like trojans to keep out the Victoria home players, and that Gray shot one or two of his best known "love taps" to the home players was to be expected under the circumstances, for Westminster were playing a game that was novel to them, after their twenty-one games with Vancouver and other one-sided affairs. There were four goals scored by each team, and their own flags more times than they rushed up the field to attack the home net. It was give and take, up and down, with never a moment during the whole game when one team could be said to have been in the lead. It was hard and the fastest kind of lacrosse and some of the checking was by no means easy, and as can be imagined there were many halts until players were ready to proceed, but fortunately no player was very seriously injured, although one or two showed canine pokes dots on their faces. Cheney, Gray, Galbraith and Lynch were the worst offenders yesterday—Gray and Lynch, had used their sticks on the players. Lorimer seemed to be an especial mark for Cheney's stick, and the Westminster goal-keeper let few opportunities slip, and on one or two occasions he had to have been doing his best to be fair, but it looked as though the visitors profited most by his decisions. There were one or two stoppages by interfering spectators who got upon the field, but the police readily cleared the field, and the game was on once a spectator who got over the fence to act as peacemaker, received Cheney's stick on the head, that aggressive net protector rushing in on the scene thinking that the spectator was threatening a fellow player, and the majority of the occurrences were due to the high pitch of excitement to which the great crowd had been worked up by the hard, close fight upon the lacrosse field, and in it the Victoria team showed that in the far west it is not only New Westminster that can win laurels on the lacrosse field. There is a team which can play great lacrosse in Victoria.

The Victoria team had practised well, and went on the field in fine trim, McDonald being if anything overtrained, and this fact handicapped his staying powers. They played the best team work seen this season, and their passing, and field work, although it still needs improvement, was very good. Every man played splendid lacrosse. Frank Cullin showed up better than he has done here this season, and his fellow workers on the home, Haley Wilson, "Reddy" McDonald, "Boots" Dinsmore, and W. Lorimer, aided by Tite at centre, played a splendid combination game, and their runs down and team work as they carried the rubber to the enemy's flags was grand. Tite, although he played a fine game at centre, found Turnbull a very fast man, and had to work a catch him, for the latter played worked like a war-horse. He was here, there and everywhere, and with W. Gifford played splendidly for the visitors. Norman, in the Victoria flags, although he let one easy shot get in, stopped some very difficult ones, and played a first class game, and Charlie Cullin and Eddie Milne on the defence with him were towers of strength to Victoria, for well did they protect the home flags. Frank Cullin, who played his first game for a long time, having come from his retirement to play, with P. Dewar, who put up the best game he has shown this season, and Jesse, who won more applause than ever, aided nobly in the defence field. Charlie Cullin was especially good, and if he makes good his treatment yesterday, that this is to be his last game, Victoria will lose one of the best players that has worn the blue and white. Ditchburn, the hustling field captain of the home team, was proud of his boys, and if their series of attacks on the Westminster goal had resulted in an addition to their score in the last twenty minutes, he would have been a happy man indeed. The betting at the start was all in favor of New Westminster, some enthusiasts going so far as to offer bets that Westminster would score two goals to every one taken by Victoria, and one man wanted to bet that Victoria would be shut out, but soon after the game started he was as scarce as a strawberry in December.

The first goal fell to the home team, scored by Dinsmore in eight minutes play. From the face Turnbull secured, and the Westminster home carried the ball down to the Victoria goal, but Milne saved and the ball went to the corner by the fence, where there was a short

Canadians Are The Champions

Argonaut Eight Oars Win Great Race at Philadelphia Regatta.

Winnipeg Second and U. S. Best Crew Takes Third Place.

Philadelphia, July 20.—The United States champion Vesper eight-oared shell crew, of this city, which has carried the colors of its club to many a victory, went down to defeat today before the strong Argonaut crew of Toronto, in the last of the annual regatta of the National Association of Amateur Oarsmen. Not only was this crew whipped by the Toronto; another Canadian crew, the eight men of the Winnipeg Rowing Club, also dashed past the Vespers and beat them out at the finish. It was the first defeat for the Vesper eight since the crew was put together. With the exception of two men, the Vesper crew was the same as that which wrestled the victory from the oarsmen at Paris last year. The Argonaut team for the mile and a half was 7:40, just 10 seconds slower than the time made by the Vespers over the same course in a race last year. Winnipeg's time was 7:50, and the Vespers 7:50. Between 30,000 and 50,000 people saw the races.

The dual contest for the championship of the United States in the singles was not as inspiring as hoped for and the honor will be with Teneyck for another year at least.

Senior Eight (final)—Argonauts R. C. of Toronto, first; Winnipeg R. C. second; Vesper R. C. of Philadelphia, third, Time, 7:40.

Intermediate Doubles (final)—Detroit B. C. first; New York, second; and Century B. C. third, Time, 12:45.

Harlem B. C. was disqualified in the intermediate fours final.

International Fours (final)—Vesper B. C. Philadelphia, first; Western B. C. St. Louis second, Time, 8:31.

Intermediate Fours (final)—Atlanta B. C. New York, first; West Philadelphia B. C. second; Pennsylvania B. C. third, Time, 10:14.

Game was hard, but both teams were showing the effects of the hard work. The play was much the same as in the preceding games, each team making hard shots to score, and after failing to get in several well placed shots, McDonald put in a beautiful shot right into the centre of the net. Smith had secured from a scrimmage, and he had thrown to Lorimer, who passed to Dinsmore, who scored, amid long and loud cheers, making the score even, and from then to the end of the last twenty minutes neither team scored, and although twenty minutes more of good lacrosse was played, in which Victoria made a number of close shots, two at least for every one tried by New Westminster, neither side scored, and this hard-fought match—best for many seasons—closed a draw.

THE SCORE.

Game.	Won by.	Scored by.	Time.
1. Victoria.	Dinsmore.	8 min.	
2. Westminster.	P. Peele.	10 min.	
3. Westminster.	P. Peele.	3 min.	
4. Victoria.	P. Peele.	5 min.	
5. Victoria.	P. Peele.	5 min.	
6. Westminster.	Turnbull.	12 min.	
7. Westminster.	Lynch.	8 min.	
8. Victoria.	McDonald.	7 min.	

Victoria three—Westminster two. The cheering was at very short intervals, and the interest was most keen. The players buoyed up by the excitement of the spectators were playing hard and fast lacrosse, and this next game was a fine one. Turnbull drew the face, and then the game waxed furious. He and Gifford ran up, and the Westminster player, who had been sent to the fence for two minutes. After the face, Westminster continued their rush, and Milne saved the goal flags, but only for a moment for Gifford and Turnbull, who were playing a great game together—came to the attack again, and Norman saved a fine shot from Gifford. The rubber was held at centre for a short space, and then Gifford with Peele and Turnbull made an attack, but Norman saved a fine shot from himself to be a goal-keeper of no mean ability, and the attack failed. The attack continued though determinedly, and Milne by a quick check stopped Peele getting a shot from a good vantage point, and then Cullin who had got a hard knock from one of the Westminster players fell hurt, thus bringing the game to a halt for the moment. Westminster finding such determined resistance were getting rough, and Referee Miller, came in for some pointed remarks from the spectators along the fence.

When play was resumed a scrimmage near the Victoria goal followed the face, and C. Cullin relieved, passing to Tite who when checked threw to McDonald, but "Reddy" was not to be beaten. He however retrieved himself by taking the ball from his antagonist when the latter tried to pass him and threw to Tite, but a bad pass by the latter let Turnbull get the rubber, and he ran down. He did not get far, for he was stopped by the man, and threw to Tite, and with McDonald and Lorimer he went in, Cheney saved, gave the ball to Peele, and thence from him to Gifford and from the latter to Turnbull, the ball went to Victoria's goal and Turnbull and Clarke put in two good shots, but Norman saved each time. From end to end the ball went, from scrim to scrim, both teams making a number of hard attacks on each other's flags, but not until 12 and a half minutes of the hardest play did Turnbull score, again equalizing the score.

Thus it was until the end of the match, each team attacking and defending, defending and attacking, with the advantage to Victoria, for the local home players made the majority of the charges on goal. Many were the close shaves, P. Smith hitting the post one time. It was in this close play that the Westminster players fell out of the stops, that made when Cheney struck Lorimer and broke his nose. Both were ruled off, the former for striking, and the latter for being struck, and it was said by the referee for alleged playing. Right through this game the play was up and down, and from end to end, and it was anybody's game when Lynch put in a low shot which got into the net.

Cheney came out when play resumed

MANY ENTRIES Expected for the Rifle Meet to Be Held at Clover Point During the Week.

It is expected that the attendance of marksmen at the annual meet of the Provincial Rifle Association to be held at Clover Point range on Thursday, Friday and Saturday, will be a record break. The Mainland cities and Nanaimo are sending large contingents and the regular army and navy will have competitors entered in most of the matches. Then there are the Veterans to be counted, and a number of old-time shots from the Mainland, Col. Hood, of Ottawa, and Capt. Thompson, of Sydney, N. S. W., who are visiting the city, will also take part. The range is being put in first-class order and arrangements have been made to accommodate the marksmen at the Club house. Many of the visitors will camp in the vicinity.

A despatch to the Colonist from Nanaimo says:

"The team for rifle association matches from this city is: J. A. Macdonell, J. D. Quinn, J. A. Dux, James Dick, Robert Adam and W. H. Wall, George Pittenditch is unable to go to defend the Dorothy medal, and Hon. C. P. Cornwall's cup, won twice in succession by him. The team practised today at 800 yards.

The eight men making the highest scores during the meet will form the Ottawa team to shoot at the Federal capital on August 26. They will be joined there by four British Columbians who have been shooting at Bisley.

CANADA CUP.

Milwaukee Wins First of Defender Trial Races.

Chicago, July 20.—Milwaukee won the first of the trial races slated today to determine what boat shall be the defender of the Canada cup. Cadillac of Detroit was second, two minutes and 33 seconds behind the Milwaukee. Nine boats sailed the course, Milwaukee and Orion of Milwaukee, Detroit and Cadillac of Detroit, Minn., Illinois, Blair, Yankee and Prairie of Chicago, The Blair and Prairie were not in the race officially, but having engaged in former events of this kind, were out to try their speed against the newer boats. The original distance of 21 miles was observed. The race throughout was largely between Milwaukee and Cadillac.

AT BISLEY.

Bodley Wins National Rifle Association Badge.

London, July 20.—Corporal Saunders, of the Queen's Rifle Volunteer Brigade, of Edinburgh, won the King's prize, Saunders tied with Sergt-Major Burr, of the First Hampshire Volunteers. In the shoot off the former gained the coveted badge.

The St. George's Vase was won by Pte. Mahy, of Guernsey, with a score of 116.

Sergt. Bodley, of Victoria, who was fifteenth with a score of 100, wins the National Rifle Association Badge and 50 sterling.

CROQUET TOURNAMENT.

Final Games for Championship Played at Vancouver Yesterday.

Vancouver, July 20.—(Special)—Today the final games of the Vancouver Lawn Tennis Club croquet tournament was played off on the Deannan street grounds. There were a large number present and the day was an ideal one. The proceedings were enlivened in the afternoon by the military band and the young ladies of the club served five-o'clock tea. Some of the events were closely contested, particularly the match for the British Columbia championship between Mr. Mahon and Mr. Neil. Mr. Neil won after a hard game, and thus secures the handicapped cup presented to the club by Mr. J. A. Russell. In the gentlemen's handicap single, Mr. Evans beat Mrs. Rogers. In the men's doubles Messrs. Neil and Proctor beat Messrs. Hutchins and Coleman; in the men's handicap doubles Messrs. Holgate and Evans beat Messrs. Averill and Twizger; in the mixed handicap doubles Miss Twizger and Mr. Senkler beat Mrs. Dana and Mr. Twizger.

NAVY VS. VANCOUVER.

Cricket Match Played at the Canteen Grounds Yesterday.

Yesterday afternoon at the Canteen ground, Esquimalt, the Navy Cricket Club defeated the Vancouver eleven by 113 runs on the first innings. The navy made 209 runs and Vancouver only succeeded in compiling 96. In Vancouver's second innings, four wickets were down for 156 runs, when time was called. For the navy, Wilson made top score with 46 runs to his credit, Morley (Vancouver) batted splendidly in both innings. In the first he was not out with 50 runs, and in the second he made 46. The navy batsmen were too strong for their opponents. This season's navy eleven is a splendid one. So far they have not lost a game.

SPORTING NOTES.

There will be a shoot, open to members of both clubs, at the Capital Gun Club grounds at the head of the Arm this afternoon at 2 o'clock, for prizes offered by the Dominion Cartridge Company.

A Nanaimo despatch says: "Lacrosse here has been very busy at the Victoria Tennis Club, which commenced on the 20th instant, had better send in their entries to the honorary secretary, whose address is P. O. Box 78, Victoria, on or before Thursday, the 25th instant. The committee will meet on Thursday evening to arrange the drawing."

AT THE SIGN OF THE SKULL.

It's "Gallo and go!" and "Slow now, slow!"

With every man in this life below—But the things of this world are a fleeting show.

Is old with clay and dust:

Two horses strain its rusty brake, Named Pleasure and Disgust.

Our luggage totters on its roof, Of Vanity and Care, As Hope, the postboy, spurs each hoof, Or Heavy-eyed Despair.

And now a comrade with us rides, Love, haply, or Remorse; And that dim traveler besides, "Gaunt Memory on a horse."

And he we king or he we kern, Who ride the roads of Sin, No matter how the roads may turn They lead us to that Inn.

Unto that Inn within that Land Of silence and of gloom, Whose ghastly landlord takes our hand And leads us to our doom.

It's "Gallo and go!" and "Slow now, slow!"

With every man in this life below—But the things of this life are a fleeting show.

Crack Nine from the Sound Shuts Vancouver Out Till Ninth.

Will Play Against the Victorians at Oak Bay Park Tomorrow.

Vancouver, July 20.—(Special)—The Vancouver baseball team met defeat again today at the hands of Everett, the score being eight to four, Vancouver getting their four runs in the ninth, on a base on balls, a single, an error and a smashing three-base hit by Jensen, the longest hit of the day. There was brilliant fielding by both sides up to the seventh, and this with the work of Schock and Pringle was much admired. Only three hits were made off Schock. The way Pringle handled Schock's speedy balls is wonderful. Everett secured ten hits off Harvie, but many a sunning hit was taken care of by the Vancouver fielders. There is no doubt in the minds of the local fans that the visitors are the warmest lunch batters that ever crossed the line. The conduct of the Everett team in face of several close decisions was so gentlemanly that it won the good opinion of the grand stand from the start. The phenomenon Schock succeeded in striking out five Vancouver players, including the top of the team, to inflict hits and pop flies. Schock allowed two men to take bases on balls and Harvie one. It occurred with Harvie when there were three men on bases.

The Everett team meet Victoria at Oak Bay park tomorrow afternoon, and then it will be seen what the local players can do against a really first-class nine. The game will not start until 4 o'clock, but as a good car service is promised, those attending can reach the city by 6 o'clock.

TENNIS TOURNAMENT.

All those who intend playing in the open tournament at the Victoria Lawn Tennis Club, which commenced on the 20th instant, had better send in their entries to the honorary secretary, whose address is P. O. Box 78, Victoria, on or before Thursday, the 25th instant. The committee will meet on Thursday evening to arrange the drawing.

In following the practice of other Life Companies, this stock will be sold at a premium of 25 per cent to prevent an impairment of capital at the closing of the first year. This will give an immediate surplus sufficient for organizing and other expenses.

There is no inside track in procuring this stock, the promoters and others paying exactly the same price for all stock held. 2,500 shares are now offered to the public, the other 2,500 shares will not be disposed of at present as the money will not be required, the capital stock being simply a guarantee fund to the policy holders, \$50,000 or over being at once deposited with the Dominion Government as an evidence of good faith and sound financial standing. As the Company grows a yearly sworn statement has to be made to the Government Insurance Department, and a reserve held in approved securities or cash to cover all outstanding liabilities to its policy holders. The investment in any speculative sense is not allowed of the Company's funds.

Applications for shares may be made to C. A. Lett, Managing Director pro tem., Vancouver, B.C., and H. C. H. Cannon, Secretary-Treasurer; or to any branch of the Bank of Montreal in British Columbia, and should be accompanied by a remittance for the amount as explained below. It is intended to make but one call of 25 per cent. of the amount subscribed, with its share of the premium thus:

1 Share, \$100. Amount \$25.00; Premium \$6.25; Total \$31.25.

Any number of shares will be a multiple of this. 10 per cent. to be paid on application and the other 15 per cent. on allotment.

ROYAL ARCADE.

Annual Ice-Cream Social held on Thursday Evening Last.

Majestic Council, No. 1513, Royal Arcanum, held their ice-cream social on Thursday last, Hon. A. E. Smith, United States Consul, in the chair, when about thirty-five members and friends faced the festive board, which was beautifully decorated with flowers.

The proceedings opened by singing the "Doxology," after which the company attacked the many good things which had been provided under the able direction of Bros. Ely and Jenkinson.

The chairman opened the second part of the programme with some very useful remarks on the advantages to be claimed by being a member of the Royal Arcanum. He had been one for fifteen years and had never regretted it. Bro. W. H. Jones then came to the front by singing "Nancy Lee," in his best style. Mr. H. S. T. Henderson followed with a recitation; then Master Sears gave a solo on the violin. Truly, the chairman remarked, he was coming on; in fact, he reminded him of his early days. Mr. J. A. Williams gave by request, "How Bill Adams Won the Battle of Waterloo," and followed with the "Anchor's Weighed." Mr. Calvert sang in his usual style, and then Mr. J. M. Hollins turned up the violin to give a selection of English airs, which were executed with great skill. Bro. J. E. Church gave an interesting account of his recent visit to the Pan-American exhibition, and the wonders to be seen there. Bro. J. W. Bolden was asked by the chairman to give a few remarks. He said he was pleased to feel he was a member of the Royal Arcanum, and urged upon anyone present who had not already joined to do so at once. He would never regret it. Mr. H. S. T. Henderson obliged again with "The Night Before Waterloo," and Bro. W. H. Jones, "A Comic Song." Mr. Campbell and Bro. R. W. Watson spoke on the school question.

The health of the chairman was proposed by Bro. Joseph Sears and seconded by Bro. J. W. Bolden, the company rising and singing "For He's a Jolly Good Fellow."

The chairman proposed a vote of thanks to Bros. Ely and Jenkinson for the able manner in which they had performed their duties, which was responded to with marked ability.

"God Save the King" closed a very enjoyable evening.

Good Advice To Farmers

Mr. Palmer Tells Spallumcheen Meeting How to Develop Trade.

B. C. Potatoes and Hay Should Drive the Foreign Article Out.

A meeting of farmers of the Spallumcheen Valley was held at Armstrong, Saturday evening 18th inst. and addressed by Mr. R. M. Palmer on the subjects of markets for farm produce, and transportation rates and facilities, affecting the district. The chair was taken by Mr. Donald Graham.

Mr. Palmer in his address showed that indiscriminate shipping of potatoes to the Kootenay markets the preceding season had reduced prices below a paying basis, and lower than necessary to compete with United States growers. Freight rates were now alike on both sides of the line, and the British Columbia growers should have the advantage of the duty, which amounted to \$5.00 per ton. It was suggested that shipments should be centralized with the view of maintaining an equilibrium between demand and supply and fair prices. More care was also required in sorting and grading. The Kootenay markets demanded a first-class article in all lines, and inferior produce should not be shipped.

Some shipments of early potatoes last season arrived at their destination in bad condition owing to want of proper ventilation in the cars and consequent heating of the potatoes, this entailed loss and disappointment to both buyer and seller. Shippers were advised to meet the difficulty by using pieces of scuttling placed in the bottoms of the cars and between the tiers of sacks during loading, so that air could circulate throughout the cars.

The C. P. R. would also allow the shipment of 12-ton car lots, at the same rate per ton as this concession would be of great assistance in shipping to the Kootenays.

In connection with the potato growing industry which is likely to become very large attention was drawn to the demand for the Northern trade. To suit the requirements of this was necessary to have solid, well matured, white potatoes, by the end of August. All the potatoes required for fall and winter use at the North, Left Coast shipping points at that time. So far most of the demand has been supplied from United States sources, but there was no reason why, by choosing suitable varieties such as the Carman No. 1, and early locations, all shipments going from Victoria or Vancouver should not be grown in the Province. Potatoes were shipped to the North in crates holding about 150 pounds each; sorting and grading carefully was necessary, as freight charges formed an important item. A special low rate of \$4.00 per ton on car-load lots from all Okanagan points to the coast was in force and would facilitate business.

Another very important question for farmers to consider was the production of first-class quality in timothy hay, for shipment both to the Kootenays and Northern points. The demand was for pure timothy, with no admixture of clover or other grasses and it must be green and bright. The business was a large one, over 10,000 tons were required yearly, for the north alone. Under present conditions, most of the supply came from Washington. The farmers in the Kitimat and Colville Valleys were giving special attention to the production of first-class hay, but properly the trade belonged to B. C. farmers and could be secured if sufficient care is given to the growing and curing of the crop.

In the Kootenays, Mr. Palmer had found a difference of \$3.00 per ton between the price of United States and B. C. hay in favor of the former, and was obliged to admit it was justified.

There was a good demand for first-class creamery butter and strictly fresh eggs in the Kootenay cities, at good prices. Ordinary dairy butter was not wanted, and there was no scarcity of eggs shipped in from Ontario and Manitoba. These would not compete with really fresh eggs, nor influence the price. Every effort should be made to establish a creamery in the district and do away with the present system of home dairying. Better prices would be obtained for the product, and there was no limit to the demand for the creamery supply.

At the conclusion of the address, a lively discussion followed in regard to freight rates on farm produce and market requirements and a hearty vote of thanks closed the meeting.

Okanagan farmers are very busy just now, haying is in full swing, and the crop generally is of excellent quality for market. In the Lumby district it is expected the crop will amount to 3,000 tons a large proportion of which will be available for shipment.

Wheat cutting has commenced; of fall sown grain, the heads are well filled and promise to yield heavily, while the straw is of moderate length, and the cost of
